*Please refer to the original pattern for complete instructions.  
Only changes are covered in this adaptation. Read original instructions thoroughly.*

**Provisional cast-on:** Following instructions on original pattern, chain 80 sts with waste yarn and crochet hook.  
Continue as directed in original pattern and knit into back bumps of chain 75 times. [75 sts cast on]

**Bias stockinette stitch:** Continue working as directed until you have approx. 2 yds/m of yarn left to bind off, or to desired length, ending with WS row. *Note: Join a new skein of yarn in the middle of the row by working 5–6 stitches holding a strand from both the old and new skein together, leaving approx. 8"/20cm tails to weave in later.*
