

COLOR PLAY MOHAIR WRAP: Isager *Silk Mohair* version
Instructions for re-yarning your Churchmouse Classics
'Color Play Mohair Scarf & Wrap'.

- Finished Size:** *Wrap:* Approx. 18"/46cm wide x 76"/193cm long, after blocking.
- Yarn:** 8 skeins Isager *Silk Mohair* (231 yds/212m each): 2 each in 4 colors. Designate Colors A–D. Or approx. 462 yds/424m each in 4 colors of an equivalent lace-weight mohair yarn.
-

*Please refer to the original pattern for complete instructions.
Only changes are covered in this adaptation.*

Instead of using a self-stripping yarn as shown in the original pattern, we mixed four different colors six different ways; we think it's nice for the sections to be a little bit irregular.

- Cast on:** Following instructions given for wrap, with one strand each of colors A and B, cast on as directed in original pattern.
- Wrap color sequence:** Work 'border' and 'body' as directed in original pattern, using the color sequence below:
Section 1: A + B, until wrap measures approx. 11½"/29cm from cast-on edge.
Section 2: B + C, until wrap measures approx. 22½"/57cm.
Section 3: C + D, until wrap measures approx. 33½"/85cm.
Section 4: D + A, until wrap measures approx. 45"/114.5cm.
Section 5: D + B, until wrap measures approx. 61"/155cm, or until one color runs out.
Section 6: A + C, until wrap measures approx. 75"/190.5cm, or until you have just enough in each color to work 10 rows of seed stitch and bind off (approx. 27 yds/25m each).
Work final border and block as directed in original pattern.
