

JOLLY WEE ELF: Jamieson's Version

Instructions for re-yarning your Churchmouse At Home 'Jolly Wee Elf' pattern
using Jamieson's fingering-weight *Shetland Spindrift*.

Yarn: For **Tiny Wee Elf**: 3 skeins Jamieson's *Shetland Spindrift* (115 yds/105m each):
1 skein each of main color (MC), hat color (HC) and scarf color (SC).
3 skeins of Appleton Wool Ltd. crewel yarn (27 yds/25m each) in various face colors (FC).
Makes approx. 12 Tiny Wee Elves. Use different combinations of colors for body, hats and scarves so colors are used up evenly.

*Please refer to original pattern for complete instructions.
Only changes are covered in this adaptation.*

Base & shoulder shaping: Using MC yarn, follow instructions as directed in original pattern through Round 4 of shoulder shaping.

Rounds 5–6: Knit. Break yarn leaving 8"/20cm tail to bury later. Fasten off.

Face shaping: Using 2 strands of crewel yarn in FC held together, follow instructions for face shaping.

Begin hat: Using HC yarn, complete hat, working as directed in original pattern.

Finishing: Neck definition: Thread 2 FC tails through darning needle and work running stitch in and out around base of face; pull to define neck a little. Fasten off; bury ends. Thread remaining 2 FC tails through darning needle and repeat, working in opposite direction. Fasten off; bury ends.
