

‘LIBRARY VEST’: Cropped Version
Instructions for shorter cropped hem of your Churchmouse
Classics ‘Library Vest in Kelbourne Woolens Cricket.’

Finished Length: *For this adaptation, we reduced the length of our original “Shorter Version” of 15"/38cm (below armhole; includes 6 short rows or about 1"/2.5cm) by 3"/7.5cm, to a resulting 12"/30.5cm (all sizes).*

Yarn: 2 (2, 3, 3, 3) skeins Kelbourne Woolens Cricket (100g; 415 yds/380m each); shown in Color 036 Medium Gray.

Note: By deducting approx. 35 (39, 42, 45, 49) yds/32 (36, 39, 42, 45)m per 1"/2.5cm cropped, we estimate you will need approx. 750 (843, 939, 1035, 1148) yds/686 (771, 859, 947, 1050)m of an equivalent sport-weight merino yarn.

Needles & Notions: We used 6 buttons instead of 7 (place buttonholes evenly as described).

*Please refer to the original pattern for complete instructions.
Only changes are covered in this adaptation. Read original instructions thoroughly.*

**KNITTERS
NOTES**

To be sure your garment turns out the right size, it's important to swatch until you get the correct gauge. Stitch gauge determines the fit; row gauge affects the length.

This vest is knitted at 22 sts/30 rows = 4"/10cm. Cast on enough sts for a 6"/15cm-wide swatch; work in St St for 6"/15cm; bind off loosely. Measure and note unblocked gauge for reference when knitting.

Wet block your swatch; let rest for a day or two—gauge can change after it relaxes. Measure again.

If you have more sts or rows per "/cm, your gauge is a little tight; try swatching again on larger needle.

If you have fewer sts or rows per "/cm, your gauge is a little loose; try again on smaller needle.
