Continued on next page...

Continue in garter stitch until piece measures approx. 9 (11, 16, 18)"/23 (28, 41, 46)cm.

If adding cowl neck, proceed to 'Cowl neck' below; if not adding cowl, bind off and finish as directed in original pattern and proceed to 'blocking' on next page.

**Cowl neck
(optional):**

Continue working straight in garter stitch until piece measures 13½ (16½, 24, 26)"/34 (42, 61, 66)cm from cast-on edge, or desired length, and you have enough yarn to complete a purl round and bind off.

Bind off and finish as directed in original pattern. Proceed to 'blocking' below.

Blocking:

Soak piece for 20 minutes in tepid water with a little no-rinse wool soap. Gently squeeze out as much water as possible. Roll in a towel and gently squeeze out more moisture.

Lay piece on moisture-safe surface and pin to finished length, slightly stretching hemline and neckline. If you have soft, bendable blocking wires, slip one into each side fold and pin into gentle curves. Allow to dry thoroughly.

Remove wires and gently steam press with press cloth to remove any fold lines; let dry.
