Prepare yarn: No matter what yarn you use, it is important to reserve a little more than half of it for the second part of the scarf (the decrease rows). If you are using two skeins, weigh your yarn in grams; if there is a discrepancy in weight, begin your scarf with the lighter ball. If you are using one large skein, divide your weight in half before you begin.

Set-up rows: Cast on 3 sts.
Row 1 (RS): Knit.
Row 2 (WS): Inc 1, Inc 1, K1. (5 sts)
Row 3 (RS): K1, K2Tog, YO, K2.
Row 4 (WS): Knit.
Row 5 (RS): K2, YO, K1, YO, K2. (7 sts)
Row 6 (WS): Knit.
Note: Pin a marker to the right side (RS) of work to help you keep track of where you are in the pattern. With RS facing you, the right-hand edge of scarf (neck edge) will stay straight, while the left-hand edge will angle out with your increase rows then back in again with your decrease rows to form the depth point of your triangle.

Increase rows: Row 1 (RS): K2, YO, K2Tog, K to last 2 sts, YO, K2. (1 st increased)
Row 2 (WS): Knit.
Row 3 (RS): K2, YO, K2Tog, K to last 4 sts, K2Tog, YO, K2. (0 sts increased)
Row 4 (WS): Knit.

Repeat Increase Rows 1–4 until you have 68 (76) sts (or until desired center depth and you have more than half of your yarn left to complete the second half of the triangle), ending with Row 2.

Note: Notice that every RS row creates an eyelet hole at both edges, but only Row 1 results in an increase. If you see YOs on your needle, it's time for an even numbered plain knit row. On odd numbered increase rows, as you near the end of the row, glance below to the prior RS row. If you see an overlapping K2Tog just to the right of the YO, you're currently on a Row 1 (no K2Tog required on this row); if you see a simple knit just to the right of the prior YO, you're currently on Row 3 and it's time for a K2Tog!

Decrease rows: Row 1 (RS): K2, YO, K2Tog, K to last 5 sts, K2Tog, YO, K2Tog, K1. (1 st decreased)

Row 2 (WS): Knit.

Row 3 (RS): K2, YO, K2Tog, K to last 4 sts, K2Tog, YO, K2. (0 sts decreased)

Row 4 (WS): Knit.

Repeat Decrease Rows 1-4 until 8 sts remain, ending with Row 2.

Note: Notice that if you see YOs on your needle, it's time for an even numbered plain knit row.

On odd numbered decrease rows, as you near the end of the row, glance below to the prior RS row.

If you see an overlapping K2Tog just to the left of the YO, you're currently on a Row 3.

Row 1 (RS): K2, YO, K3Tog, YO, K2Tog, K1. (7 sts)

Row 2 (WS): Knit.

Row 3 (RS): K2, YO, K3Tog, K2. (6 sts)

Row 4 (WS): K2Tog three times. (3 sts)

Row 5 (RS): Knit.

Finishing: Bind off. Weave in ends.

Blocking: Soak in cool water with a little no-rinse wool wash; roll in towels and squeeze or run through spin cycle of machine in a lingerie bag to remove as much moisture as possible. Pin to desired dimensions and let dry completely.
