

STRIPED CHEVRON SCARF: Berroco Spree Version

Inspired by our popular 'One by One, Two by Two Scarf', we used a 2-row chevron stitch to create a lively, all-season scarf in Berroco's lovely Spree.

- Finished Size:** Approx. 8 x 82"/20 x 210cm after blocking.
- Yarn:** 4 skeins Berroco Spree (142 yds/130m each), one each in four colors.
Designate colors A–D; our sample used A = 94133 Coal, B = 9457 Sea, C = 94128 Moss, D = 9452 Meadow.
Or approx. 568 yds/130m total of an equivalent DK-weight yarn (approx. 142 yds/130m each of 4 colors).
- Needles & Notions:** US 6 (4mm) needles, or size to obtain gauge.
Blunt darning needle to finish.
- Gauge:** Approx. 27 sts = 4"/10cm in chevron pattern stitch.
- Glossary:** **K** = knit; **KFB** = increase by knitting into front then into back of same stitch; **K2Tog** = knit 2 stitches together; **P** = purl; **RS** = right side; **SSK** = slip, slip, knit (slip 1 knitwise, slip 1 knitwise, insert left needle into front of 2 slipped stitches from left; from this position, K2tog); **St(s)** = stitch(es); **WS** = wrong side.
-
- Chevron pattern stitch:** *Pattern is a multiple of 14 stitches plus 2. To increase or decrease width, add or subtract stitches in multiples of 14 and adjust yardage accordingly.*
Row 1 (WS): Purl.
Row 2 (RS): K1 *KFB, K4, SSK, K2Tog, K4, KFB*; repeat between * * 3 more times, K1.
- Cast on:** With Color A, using long-tail cast-on method, cast on 58 sts.
Knit 1 row, then work 4 rows in chevron pattern stitch (above), ending with RS row.
- Stripe Section 1:** Drop Color A, but do not cut. Attach Color B and work 2 rows in chevron pattern stitch as established. *Note: Carry color not in use up the side; do not cut. Give a gentle tug on new color to tidy up the last stitch before working first stitch of new stripe.*
Alternating Colors A and B, continue to work 2 rows of chevron pattern in each color until approx. half of Color A remains, ending with 2 rows of Color B.
Cut Color A, leaving a 6"/15cm tail; set remainder of Color A aside for later.
- Stripe Section 2:** Attach Color C and continue in pattern, alternating 2 rows each of C and B until you have enough of Color B to complete a stripe, ending with Color C.
Cut Color B, leaving a 6"/15cm tail.
