

‘TEA LEAF LACE SCARF’: Isager *Bomulin* Version
Instructions for regauging your Churchmouse Classics
‘Tea Leaf Lace Scarf & Shawl’ in Isager *Bomulin*.

- Finished Size:** Approx. 8½ x 64¼"/21.5 x 163cm, after blocking.
- Yarn:** 2 skeins Isager *Bomulin* (229 yds/210m each).
Or approx. 458 yds/420m of an equivalent fingering-weight plant fiber yarn.
- Gauge:** Approx. 26 sts = 4"/10cm in pattern, after blocking.

*Please refer to the original pattern for complete instructions.
Only changes are covered in this adaptation.*

Note: We used the same size needle as the original pattern and achieved a beautiful fabric with wonderful stitch definition. However, like most plant fibers, Isager Bomulin is not as elastic as the yarns originally used in this pattern, so the finished blocked size is slightly smaller than the original. If you prefer to create a scarf closer to the original size given in the pattern, try going up a needle size, but be sure to purchase an extra skein to accommodate the change in gauge. Though slightly smaller in scale, we think it's a perfect summer accessory!

- Cast on:** Follow instructions for scarf as directed in original pattern.
