*Please refer to the original pattern for complete instructions.  
Only changes are covered in this adaptation.*

- Bottom ribbed rows:** Work as directed in original pattern, repeating Rows 1 and 2 five more times. [12 ribbed rows total]
- Upper ribbed rows:** Repeat as for bottom Ribbed Rows 1 and 2, five times. [10 ribbed rows total]
- Top & Finishing:** *For I-cord top:* Work I-cord as directed in original pattern, repeating between \* \* for 3"/7.5cm.  
Seam sides and block as directed in original pattern.
- For pom-pom top:* Follow instructions for button top as directed in original pattern through seaming sides. Instead of sewing a large button on top, make a pom-pom following instructions on pom-pom maker. *Note: Use strong yarn or dental floss to secure pom-pom—Felted Tweed can break easily.* With darning needle, pass tails a small distance apart to inside of cozy; tie together in a tight bow so you can easily remove pom-pom for washing. *Note: We used a single color for our pom-pom, but holding two colors together will create a beautifully marled pom-pom!*  
Finish and block as directed in original pattern.
